

WALKER

2100BK

SMALL WALL MOUNT LANTERN

Walker has roots in the American West with its large scale, strong angular lines and no-nonsense style. The sturdy aluminum and brass construction features a two-tone finish of bold Buckeye Bronze and Heritage Brass. Adding a transitional flair to its minimalist shape. A welded outer form frames an inner clear, bound glass shade. At home on the range, in a mountain cabin or creating a mid-century statement, this flexible style complements many façades.
