

TRANSFORMER

0200GY

200W SMART LANDSCAPE TRANSFORMER

Developed specifically for low-voltage LED lighting systems, the Hinkley 200W Smart Landscape Transformer combines the power of a transformer with the convenience of smart-home connectivity to provide complete control over your home's exterior lighting via the Hinkley Home Automation App. Protected by a robust composite resin housing designed for maximum resiliency, the Smart Transformer's ceramic toroid core is engineered for energy efficiency and noise reduction. A full 200-watt load supports three independent lighting zones with no maximum load limits per zone. Control voltage settings, grouping, timing, and programming at the swipe of a finger on the Hinkley App. Compatible with Amazon Alexa and Google Home systems.

DETAILS	
FINISH:	Gray
MATERIAL:	Composite
DIMMABLE:	DOES NOT APPLY

DIMENSIONS	
WIDTH:	6"
HEIGHT:	10.8"
DEPTH:	6.5
WEIGHT:	7.5lb

LIGHT SOURCE	
VOLTAGE:	120v

MOUNTING	
LEAD WIRE:	1 X 36"

SHIPPING	
CARTON LENGTH:	13
CARTON WIDTH:	8.3
CARTON HEIGHT:	4
CARTON WEIGHT:	9

PRODUCT DETAILS:

- Wet Rated
- A modular timer and photocell are available
- Pro Series Transformers carry a lifetime warranty
- Includes a convenient on/off switch
- High quality composite resists rust, corrosion, and fading – ideal for harsh weather conditions
- Use to convert 120V household voltage to 12V for low voltage landscape lighting
- The Hinkley Home Automation App allows you to control your landscape lights anytime, anywhere. You can turn dimmers on/off and adjust sliding brightness settings remotely.
- Line voltage fixture that accommodates higher wattage and light output (ideal for commercial and public spaces)
