

TIVERTON

28835DX

LARGE WALL MOUNT LANTERN

Paying homage to the charm and elegance of Southern colonial aesthetics, Tiverton is a contemporary interpretation of traditional gas lantern design. The rounded silhouette, composed of solid brass, features an arched roof with louvered molding, tall glass panes, and a hinged door for style and function. The rubbed Dark Oxidized Brass finish creates a dramatic, subtly distressed appearance that complements both classic and modern décor.
